

WOODS COOPERATIVE INC VOLUNTEER INTEREST SHEET

Dear Woods Resident,

Everyone living in The Woods has unique talents that can be shared with the community. Besides giving one a sense of accomplishment and a way to connect with others, volunteers' hours count in grant-seeking proposals and other instruments which help to keep our lot fees low. If we know about some of your talents and interests, we can connect you with Committee Chairs who are looking for your particular skills. Please check the areas where you would be the most comfortable or have the most interest in volunteering.

There are many ways for residents to have a voice in the community. One way to get to know your neighbors and be involved is to join a committee. The following committees – all staffed by volunteers -- help in advising and managing The Woods, keeping our costs low, which will help to keep our lot rent as low as possible. Please place a check next to those committees that best serve your interests and talents.

Another way to be involved in the management of the community is to serve on the Board of Directors. Elections are held each Fall. Terms are 2 years (or when a vacancy becomes available due to special circumstances). Please indicate if you have any interest in learning more about any of the following board positions. A description of each position is in the WCA Bylaws. You must be a member of the WCA to hold office and have been a member for one year.
